3/4/78

Dear Floyd,

Thanks for your note.

I've not heard from Dave.

Maybe I won't until he is here. He may have told me when he is coming and I then forgot the exact date. I know he said on their break.

So if you can get the tapes to me I'll give them to him.

Maybe the best way would be through Jim. He will be back before you can get this. And Dave will fly via Washington.

Hope things go well.

Sincerely,
